A win you have had this week or a positive thing that has happened to you or a positive story that is uplifting. This does not necessarily have to be humorous although it can be.
Avoid telling a joke – you’ll learn more from presenting an inspirational or uplifting story or event than from telling a joke.

Your task is to move a motion in General business. The motion does not have to be serious as it is not binding on the club – it is an exercise in meeting procedure. You need to speak for about 1 minute. No longer. Design a motion that has some opportunity to be amended but do not make it too complicated.
If you are not sure, run some ideas by one of the more experienced members and they will help you design a great motion.
Make sure you give a copy of your motion to the Chairman and the Critic/Tutor
